Gulf Coast Wildlife Rescue rescues over 2500 animals each year. Pictured below are the total numbers of **some** of the types of animals rescued by GCWR this past year. Not included (due to space) were otter, beaver, coyote, flying squirrels, moles, snakes, and bats. This incredible accomplishment was made possible through our dedicated and trained volunteers and **YOUR** very generous and faithful giving. Thank you for your support!

## BY THE NUMBERS – ANIMALS RESCUED THIS PAST YEAR

Remember, there are NO expenditures for staff. GCWR operates entirely through volunteers with 100% of your donations going to medical supplies, housing, and foods. We strive to be good stewards of the donations we receive.
