

# GULF COAST WILDLIFE RESCUE

2023

*Saving wildlife in your local community*

FOLLOW US [f](#)

Every year Gulf Coast Wildlife Rescue saves, cares for and releases hundreds of orphan wild animals. The babies raised by GCWR are healthy, wild, and capable of surviving on their own when released. This is accomplished by providing excellent nutrition, enrichment, large enclosures, and minimal exposure to people. No baby is ever raised alone or without others of its own kind. Thanks to your help, GCWR can continue to give these babies a second chance at life! Thank you for your support.

**What should you do  
if you find an orphaned  
wild baby animal?
